Page 78

11:50:47 1 statements on that.

11:50:49 2 Q So you haven't read Dr. Almeroth's report?

11:50:53 3 A No.

11:50:55 4 Q So obviously your knowledge base extends
11:51:29 5 beyond what you've provided in your report, correct?

11:51:32 6 A I'd say generally in terms of computing,
11:51:36 7 yes.

11:51:36 8 Q Can you identify another agnostic solution
11:51:44 9 from your extensive technical experience?

11:51:49 10 MR. ANDREWS: Objection, scope, and asked
11:51:51 11 and answered.

11:51:51 12 A Again, not something I was asked to do.

11:51:55 13 Q I'm asking you to do it.

11:51:57 14 A I'm not prepared right now to jog my memory
11:52:00 15 of -- I think you're just asking about agnostic
11:52:06 16 solutions, the universe of things that may or may
11:52:08 17 not be that. It's not something I have in my
11:52:11 18 report.

11:52:15 19 Q So the only agnostic solution you have come
11:52:31 20 across in your entire career as a doctor of computer
11:52:38 21 engineering -- you're a doctor of computer
11:52:41 22 engineering; is that correct?

11:52:42 23 A Electrical and computer, yes.

11:52:44 24 Q And the only agnostic solution that you've
11:52:47 25 ever seen is Barco's, correct?

Michael C. Brogioli, Ph.D. – June 10, 2025

Page 90

12:48:38 1 Yealink's proposed non-infringing alternative
12:48:40 2 solutions was secure in rebutting that argument. I
12:48:44 3 didn't see him making those arguments.

12:48:46 4 Q You didn't read his report at all is what
12:48:49 5 you testified earlier?

12:48:50 6 A That's correct.

12:48:51 7 Q Are you aware that he provided a report in
12:49:01 8 this case on infringement? Let me restate that
12:49:06 9 question.

12:49:06 10 Are you aware that he provided an expert
12:49:08 11 report to rebut your report?

12:49:13 12 A I'm aware that he provided a report. I was
12:49:17 13 not provided it to read. Beyond that, I'm not sure
12:49:26 14 what may or may not be in there.

12:49:28 15 Q Do you believe our Zoom call today is
12:49:45 16 insecure?

12:49:51 17 A In what regard?

12:49:53 18 Q In the regard that you say Barco's system is
12:49:57 19 secure, is our Zoom call today secure?

12:50:03 20 A I would say probably in certain aspects. I
12:50:06 21 mean, I'm connecting to Zoom over, you know,
12:50:10 22 presumably a secure link over the internet. There
12:50:13 23 are aspects of it that may or may not be more secure
12:50:16 24 than others or other solutions.

12:50:19 25 Q You're probably using some sort of wireless

I, Sandra L. Rocca, CSR, RMR, RDR, CRR, a
Certified Court Reporter within and for the States
of Illinois and Florida, do hereby certify:

That MICHAEL C. BROGIOLI, Ph.D., the witness
whose deposition is hereinbefore set forth, was duly
sworn by me and that such deposition is a true
record of the testimony given by such witness.

I further certify that I am not related to
any of the parties to this action by blood or
marriage; and that I am in no way interested in the
outcome of this matter.

IN WITNESS WHEREOF, I have hereunto set my
hand this 11th of June, 2025.
